By occupying any type of display space at the Huntsville Hamfest, each vendor agrees that all merchandise offered for sale at the hamfest, any vendor-owned equipment for use in a vendor booth, or activity sponsored by any vendor, shall comply with applicable safety and usage policies and regulations of the Von Braun Center and Huntsville Hamfest. At the discretion of the Huntsville Hamfest committee, and in conjunction with VBC management, non-compliance with this provision by a vendor can result in dismissal of any individual or the entire vendor party with no refund.

COVID-19: By attending Huntsville Hamfest, you are acknowledging that an inherent risk of exposure to COVID-19 exists in any public place where people are present. By attending Huntsville Hamfest, you assume all risks related to exposure to COVID-19 and agree not to hold Huntsville Hamfest, Huntsville Amateur Radio Club, American Radio Relay League, Von Braun Center, or any of their directors, officers, employees, contractors, vendors, or volunteers liable for any illness or injury. The Huntsville Hamfest will follow all Federal, State, and Local guidelines in effect at the time of the show. Currently, this means that vendors must wear face covering at all times and no more than 2 people are allowed to be inside a single booth (10' x 8' area) at one time. These mandates may change before the date of the Hamfest.
